Document Version: 1.0

Date: July 2026

Prepared By: Domo Tactical Communications (DTC) Ltd

Thank you for using Domo Mesh Headset.

We are committed to protecting your privacy. This Privacy Policy explains how Domo Mesh Headset handles your information when you use the app.

Information We Collect

Domo Mesh Headset does not collect, store, transmit, or share any personal information.

The app does not require you to create an account or provide personal information such as your name, email address, phone number, or location.

Device Permissions

Domo Mesh Headset may request the following permissions to provide its core functionality:

- **Network (Internet)** – Used to support app functionality to connect to a compatible DTC device. The app does not use this permission to collect, transmit, or share your personal information.
- **Notifications** (if applicable) – Used to display connection status and other important device-related notifications

These permissions are used solely to provide the app's intended functionality. Information accessed through these permissions is processed locally on your device and is not collected, stored, or shared by us.

Data Sharing

Because Domo Mesh Headset does not collect any personal information, it does not sell, share, or disclose user data to third parties.

Third-Party Services

Domo Mesh Headset does not use third-party analytics, advertising, or tracking services that collect personal information.

If future versions of the app introduce third-party services, this Privacy Policy will be updated accordingly.

Data Security

Since Domo Mesh Headset does not collect or store user data, no personal information is maintained on our servers

Children's Privacy

Domo Mesh Headset does not collect personal information from children under the age of 13. As the app does not collect personal information from any users, no personal data from children is stored or processed.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page along with an updated effective date.
